

HAGERSTOWN FIRST UMC NEWSLETTER MISSIONS

September 2023

FUMC FOOD PANTRY... FUMC Missions continues its monthly donation support to the Jefferson Township Food Pantry.

For months of AUG & SEPT our donation focus: PEANUT BUTTER & JELLY.

Please Note: Canned (vegetables & fruit) and boxed food items may be donated at any time along with the month donation focus.

Donations may be placed in the church café or taken to Jefferson Township office, 37 E Main downtown Hagerstown on Fridays 9am-4pm during pantry hours.

LOVING HEARTS-HELPING HANDS: Transportation to & from doctor appointments remains an important focus for LH&HH.

Mission's leadership is trying to contact other churches within Hagerstown area with the hope to bring other churches into LH&HH making it a more community wide mission. This was attempted last year but 2023 is a new year 😊

In February 2023 Missions announced a special greeting bag or hospitality gift bag or thinking of you gift bag project. This special project was covered over with other issues. A Team began forming in August to bring this project back to life.

GOD BLESS ALL OF YOU who have signed up to prepare a dish or meal to be delivered to an FUMC person or FUMC family who are encountering a difficult time. Especially those who are facing a healing process from surgery or injury or illness. You or your family may sign up in the café at the front table or call the church to leave your information. Need to have your name & phone number (or easiest way to reach you). Need to have an idea of what you are able to prepare ... be it a whole meal or an individual dish or dessert or bread/rolls. Need to know if you wish to deliver your prepared food or have someone to pick-up & deliver for you.

Any questions ... please call Debra Salhoff 317-726-6131
